Bhartiya Gramotthan Sanstha is a Non Government Organization, founded by Uttarakhand Rajya Shilp Ratna Awardee Shri Prakash Mohan Chandola in 1989. It is a registered society under Indian Societies Registration Act 1860 and operating from Rishikesh, uttrakhand, India

BGS is a welfare organization working for poverty alleviation and empowerment of underprivileged families by enriching their lives. We do this through well planned and comprehensive projects in livelihoods, education, health and environment conservation.

Our area of operation covers entire Uttarakhand and Uttar Pradesh and focused operational area is garhwal region of uttarakhand.

At the gross root level BGS, closely works with women centric community institution (Self Help Groups) and their federation. Our ultimate goal is empowerment of poor & underprivileged women through improvement in their best livelihoods.

VISION OF THE ORGANISATION:

To provide sustainable livelihood and quality of life to underprivileged families. Overall development of the community of Garhwal hills in the issue of their health, education, habitat and livelihood for the betterment of their lifestyle.

MISSION OF THE ORGANISATION:

1. To reduce poverty of underprivileged families by enabling them to access the sustainable self-employment in handicraft and handloom sector through a process of social mobilization, capacity building and financial inclusion.
2. To provide quality of life to underprivileged families through enhanced education, health & hygiene and income generation under various government and non government programs with special focus on Women Empowerment.
3. Self-sustainable development of handicrafts through community improvement.
4. Integrated development of the community through women and child development.
5. Implementation of the programme for the overall socio-economic development of weaker section.

Our History:

Bhartiya Gramothan Sanstha (BGS) was founded in 1989 by Uttarakhand Rajya Shilp Ratna Awardee Shri Prakash Mohan Chandola, who is founder president of BGS, with the aim of addressing poverty and providing quality of life to underprivileged families. Women empowerment is main focus of the organization. BGS has a democratic structure where the governing body and management committee are main decision-making bodies. Currently organization is working in livelihood, health education and environment conservation.

BGS has strategic commitments and working with existing national organization such as NABARD, Development commissioner (Handicraft), National Jute Board, Women & Child Department Govt. of Uttarakhand, UHHDC, Govt. of Uttarakhand. and other reputed national and international organization as project implementation partner and has developed association with various relevant departments of government of India and government of Uttarakhand including department of Industries, Rural Development, Women and Child Welfare.

In 1989, organization started its operation from Dandi village of Uttarakhand with two manual handloom weaving machines and in 1992-1993 expanded its activity at larger scale with support of office of Development Commissioner (Handicrafts), Ministry of Textiles. Since then organization is growing at constant pace.

Since 1993-1994, Organization is actively associated with NABARD for implementation of its sustainable livelihood development projects in farm and non-farm sector through formation of Self Help Groups & their federations.

So far BGS has completed more than 50 projects in livelihood, health, education and environment conversation supported by various government departments, national organizations and reputed non-government organizations.

- ✓ Twisting
- ✓ Cone winding
- ✓ Finishing

2) SHG FORMATION AND BANK LINKAGE

This project is sponsored by National Bank for Agriculture and Rural Development (NABARD). This program is named as "Women Empowerment Program" by the organization. The project aims at uniting and organizing the women through formation of Self Help Groups. To empower the rural and urban women, the organization has made women self-help groups which emphasizes on their awareness, small savings, various vocational trainings, providing loans, self-employment generation and other issues.

The women beneficiaries of a locality are organized into self-help groups. These groups are provided with training input by BGS. These women meet once every month to discuss the progress of their SHG and collect some money every month which is deposited in their SHG account.

3) RETAIL OUTLET/MARKETING CENTRE (RURAL MART)/ Showroom Of JDP Alone Project

With support of **National Jute Board**, Kolkata ,Ministry of textiles, Govt of India BGS is running a Showroom of JDP Alone Project / Jute Retail outlet scheme. In this scheme lot's of JDPU's are benefited as a marketing. In this project first the artisan need to complete the training after completion the training part artisans learn how to do production or how to make jute products. After that trained Artisans start production through jute diversified production units which in turn are sold to the retail outlets.

BGS provides marketing facility to the women entrepreneurs and Self Help Groups. This outlet is also working as a Business Counseling Centre where in the people are given awareness related to entrepreneurship, designs, management etc.

4) FREE TRAINING TO WOMEN'S

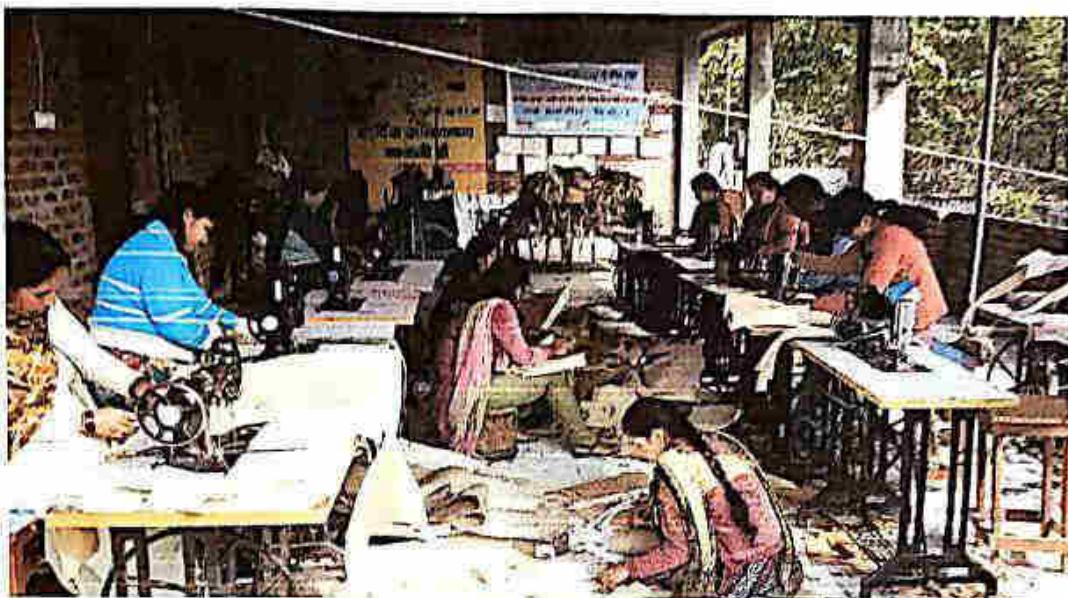

BGS conducts free training program for the women's and Artisans once in every year so that the women can learn some handcraft making skill in their spare time. In this program women's learn to make jute bags, slippers, file folders, breaded work etc.

The aim of providing these trainings is to give an access to the women to the different process and techniques of handicraft products. The training program includes brief introduction on different designs of Jute bags, Selection of raw material, Preparation of Utility items like Shopping Bags,

Ladies purse, color combination on the Jute product. This skill development program are help full to an aspiring entrepreneur to set up a Jute Manufacturing unit.

5) AWARENESS PROGRAMME ON ENVIRONMENTAL ISSUES

The organization every year organizes a rally on the World Environment Day for the awareness of the masses about the hazards of the environmental degradation being faced in the recent years. A Campaign on cleaning the city/area is also organized with the help of the employees of the organization and the eminent personalities of the city.

It aims to create awareness on environmental issues among a wide group of stakeholders. Several nongovernmental organizations, educational and training institutions, professional associations, scientific bodies, community organizations, and also a whole range of other agencies participate in the campaign. These bodies singularly or in partnership with other organizations, organize programs for creating environmental awareness followed by field action at the local, regional and national level.

21) Construction Of 500 Individual Toilets In Roorkee (Uttarakhand)

With support of Hans-foundation through FCRA grant project for hygiene purpose in roorkee urban area, where 500 toilets constructed for needy and poor community with support of nagar nigam . The need for this project emanated from a base line survey conducted by HANS Foundation staff and BGS staff in targeted communities to assess the sanitation needs of these communities and the determination and cooperation of the inhabitants for effective participation in an action plan that will address their problem. This was a demand driven project by the community associated with HANS foundation.. Lack of good toilets and hygiene education is a big problem in rural communities in Uttarakhand. This project intended to construct twins pit latrines and provides hygiene education to the targeted communities to reduce diarrhea related illnesses by 25% to 50%.
